Prices from £399 + vat

SUV's & larger vehicles from £449 + vat

**THE PAINT ENHANCEMENT** This package thoroughly cleans & decontaminates your vehicle inside & out. This process eliminates impurities and imperfections on the vehicle's surface that standard washing cannot remove. Such as old layers of wax, water sports, brake dust & industrial fallout which can accumulate in unexpected areas of your car.

Plus a gentle machine polish over the paint work that enhances your vehicle's colour and leaves a sleek glossy finish. Estimate time required 2-3 days
