## What panels on the vehicle are included?

Minor damage to most areas is included, as illustrated below:

### Panels maintained by **Shine!** Protect are highlighted

The Shine! Protect service only offers weatherproof and disguise repairs to small chips on boots, roofs and bonnets. This is not an invisible repair.

## \*What else do I need to know?

You cannot request repairs if the damage already exists at the point of plan purchase.

We cannot repair any point on the vehicle where the finish has been added to the car after manufacturer — such as films (matte effects, transfers and stickers or paint finishes that include more than three separate layers).

It is not possible for us to carry out a partial repair on major damage that requires a bodyshop.

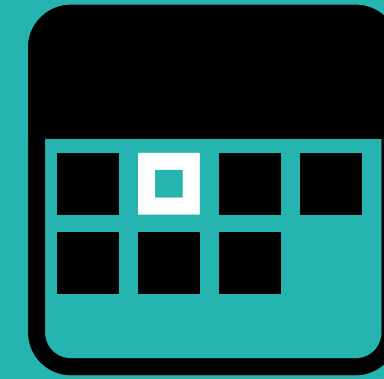

Each repair request is subject to a £25 call out charge.

Your plan includes seven areas of repair per year of your plan duration. A maximum of four areas which can be repaired in one repair call out.

This plan does not include: panel replacement, stickers, and decals, beading and mouldings, cracked or dented bumpers, or their replacement. Repairs will only be undertaken if a result can be achieved using Shine! Protect technology, bodyshop repairs are excluded. Third-party liability is excluded.
