 **ESSENTIAL**

# WHAT IS COVERED WITH ESSENTIAL

## ENGINE

- Camshafts and bearings
- Camshaft followers and rockers (including hydraulic lash adjusters)
- Connecting rods and bearings
- Crankshaft and bearings
- Cylinder block and head
- Cylinder head gasket
- Cylinder bores (including liners and seals)
- Internal bushes and bearings
- Engine ECU
- Oil pump and drive
- Pistons and rings
- Rocker assembly
- Timing gears
- Timing belts (subject to correct replacement)
- Timing chains
- Tensioner
- Valves, springs and guides

## BRAKE SYSTEM

- ABS pump and control unit
- Brake calipers
- Brake master and wheel cylinders
- Brake limiter valves
- Vacuum servo

## COOLING SYSTEM

- Engine cooling radiator
- Heater radiator
- Thermostat and housing
- Viscous cooling fan couplings
- Water pump

## ELECTRICAL SYSTEM

- Anti-lock braking system (ABS) ECU
- Air conditioning pump
- Alternator
- Automatic gearbox ECU
- Central locking motors
- Ignition coil and coil packs
- Electric window motors
- Front and rear wiper motors
- Heater blower motor
- Horn
- Indicator switch
- Relay
- Starter motors
- Transmission

## SUSPENSION SYSTEM

- Anti-roll bar bushes
- Anti-roll bar link bushes
- Ball joints
- Lower wishbone bushes
- Upper wishbone bushes
- Suspension shock absorbers
- Suspension coil springs
- Wheel bearings
- Leaf springs

## FUEL SYSTEM

- Air flow sensors and meters
- Fuel gauge sender unit
- Fuel pressure regulators and accumulators
- Fuel pumps (including pre-pumps)
- Low and high pressure, injection pumps
- Injectors (Contribution)

## ADDED BENEFITS

- Wear and tear on listed items up to 80,000 miles and 8 years
- Unlimited number of repairs up to the aggregate vehicle value
- Battery contribution up to £100
- Consequential damage to another covered item
- Injector cover up to £250
- Vehicle recovery up to £75
- Multimedia contribution
- Accident management support
- Software and reprogramming updates up to £100
- European cover up to 90 days
- Transferable warranty to a new owner
