

## Search results for details and implementation status of applicable recalls, etc.

The entered chassis number [AHR20-7051625]

### [Search results]

The vehicle you entered is not subject to a recall, so there is no need to bring it in for repairs.

To be on the safe side, please double-check that the chassis number you entered is correct by checking the chassis number on your vehicle inspection certificate.

If you have any questions, please contact your local dealer or the customer service center listed below.

\* Recalls and improvement measures will be searched from information from January 1999 onwards, and service campaigns will be searched from information from January 2002 onwards.

If you wish to continue searching, please enter the chassis number and press the "Search" button.
