The UK's Best Used Car Warranty

Welcome to Warrantywise, the 'UK's Best Used Car Warranty' - designed by me... Quentin Willson.

Why are Warrantywise the best?

Weasel Words: For a start I have banished all 'weasel words' such as betterment, contribution (excess), consequential failure and wear and tear exclusions – these are the terms other warranty firms use to reduce the amount you're expecting.

Roadside Assistance: I've included a 24/7 emergency roadside assistance and breakdown recovery package where we will actually send out a patrol to get you rolling again with the minimum of inconvenience – this together with realistic car hire and travel expenses puts Warrantywise at the very top.

Breakdown: Your warranty plan is designed to meet the cost of repairing your vehicle when a covered mechanical or electrical part suddenly and unexpectedly stops working – this is in common with most other warranties and where their cover ends!

Failure due to Wear and Tear: Unique to Warrantywise and an industry first, we will pay to fix your car if it develops a premature mechanical fault and stops working as it should do. So unlike all other used car warranties, we don't always insist that your vehicle has to physically breakdown for it to be covered.

Worn Out Parts: We don't and can't cover for worn out parts, no one can. Just think about it, you buy an old high mileage banger and book it into the nearest main dealer expecting a fully reconditioned car handed back with the warranty firm footing the bill – I don't think so! This transparency up-front is another reason why Warrantywise are the best.

Servicing: Warrantywise can also provide for all your routine servicing and MoT expenses. Book in the work at 'approved repairers' and even spread out the costs. Now just how good is all that?

Important - Read the Small Print: Following on are our terms and conditions which explain how your warranty plan works and the many benefits you now enjoy as a Warrantywise Plan holder. Please ensure that you fully understand the terms and conditions relating to your plan and in particular your vehicle servicing requirements and the repairs procedure. Make sure you read and understand fully the information provided in the What Your Plan Does Not Include section. Also, if you have purchased any of the plan Additions, remember there are separate terms and conditions relevant to each one.

I believe in total transparency and we're the only warranty company in the UK that will tell you 'what is' and 'what is not' covered clearly and simply up front in order to avoid disappointment later.

Your rights as a consumer allow you 14 days to cancel - but I have insisted on 30 days, which gives you more than enough time to read this booklet and fully understand what we can and can't provide!

This is a Service & Maintenance Warranty Plan like no other and, unlike other warranties, if anything is unfair or needs changing, then I have the final discretion (yes it's my right) where issues arise over disputes to review the position and decide what is right and fair in the circumstances (naturally this does not affect your statutory rights). You can contact me, Quentin Willson at: quentinwillson@warrantywise.co.uk (yes, it really is me) and I promise you will receive the very best service.

(These checks are conducted at the time you take out the warranty at our own cost using data from the DVLA, VOSA, Police and from independent companies. This information is constantly updated, is not exhaustive and may alter at any future date, therefore we cannot guarantee total accuracy at any point in time).

Parts Cost: For repairs at the franchised main dealer, charged within the Labour rate you have selected, we will pay the manufacturer's list price of Parts, otherwise we will not pay more than the available motor factor recommended retail price of OE Parts, including VAT. Parts which can only be sourced from outside the United Kingdom will be reimbursed at the United Kingdom price of an equivalent Part. We may, in our discretion, supply Parts to your Repairer directly or have Parts repaired by a specialist Repairer of our choice.

B Benefits Included within Your Plan

Terms and Conditions:

B1 Upon your Application for your Vehicle to be included within our Service and Maintenance Warranty Plan (referred to as Your Plan) we will carry out History Checks to confirm that your Vehicle is eligible. If you have selected the Pay As You Go Option or are paying in instalments we may also require that you send us a Mileage Photo. Your Plan will not become effective until we have carried out these checks, received your current payment and confirmed your warranty by the issue of Your Plan Schedule.

FROM DAY ONE AND DURING THE PERIOD OF YOUR PLAN – YOUR PLAN IS DESIGNED TO PAY FOR:

B2 **BREAKDOWN** - This is where a mechanical or electrical Part suddenly and unexpectedly stops working and requires immediate repair or replacement before it will work again.

AFTER 30 DAYS AND 1,000 MILES (whichever occurs later) DURING THE PERIOD OF YOUR PLAN AND UNTIL YOUR VEHICLE REACHES 10 YEARS OR 100,000 MILES (whichever occurs first) YOUR PLAN ALSO PROVIDES FOR:

B3 **FAILURE DUE TO WEAR AND TEAR** - This is where a mechanical Part suddenly develops a premature and unexpected fault resulting in the Part failing to work as it should (within serviceable parameters) which if not repaired or replaced will more than likely lead to a Breakdown of the Part before the expiry of Your Plan.

B4 **Warrantywise will pay the Repair Cost following a Breakdown or Failure Due to Wear and Tear of a Part of your Vehicle, within the Geographical Limits, outside the supplier's or manufacturer's warranty period, during the Period of Your Plan, depending upon the Level of Your Plan and subject to the further conditions and exclusions set out herein:**

B5 If your Vehicle suffers a Breakdown or Failure Due to Wear and Tear of any covered Part, we will, in our discretion, decide whether to pay the appropriate Repair Cost (see General Conditions J18 which explains our discretion). To do this we will decide whether to inspect your Vehicle and then whether or not to approve a repair of the Part or authorise a replacement and then if we decide it is appropriate to do so in either case pay the appropriate Repair Cost.

B6 Your Plan will pay for diagnostic or dismantling work only if assessed by us as being reasonable within the Repair Cost of a valid repair. It is your responsibility to authorise (at your own expense) any diagnostic or dismantling of any part of your Vehicle. (If in doubt, ask your Repairer to check with us before starting any diagnostic or dismantling work).

B7 We will pay the Repair Cost of a valid repair up to the Single Repair Limit and within your Vehicle Value at Your Plan Start Date.

B8 There is no limit to the number of valid repairs that can be approved during the Period of Your Plan within the Single Repair Limit up to your Vehicle Value.

B9 There is no Contribution (excess) required from you, but you can decide to include a voluntary Contribution within Your Plan, which will be shown in Your Plan Schedule.

B10 There is no Contribution required from you for improving the condition or value of your Vehicle (betterment) where a replacement Part has this effect.

B11 Your Plan includes cover against Consequential Failure. (Please see H21 which explains this).

B12 Any alterations you make to increase the Level of Your Plan will not come into effect until 30 days or 1,000 miles (whichever occurs first) from the date of change have elapsed.

SIGNIFICANT EXCLUSIONS

B13 Limits on Failure Due to Wear and Tear - Unless you are following on after a manufacturer's warranty or previous Warrantywise Plan, the benefit of Failure Due to Wear and Tear will begin after 30 days and 1,000 miles (whichever occurs later) but in all cases will end should your vehicle reach 10 years or 100,000 miles (whichever occurs first).

B14 Vehicle Age and Mileage Limits - All the benefits of Your Plan will end should your Vehicle reach 13 years of age or 130,000 miles, from the date of manufacture, without rebate, even if during the Period of Your Plan.

B15 Servicing - If you are unable to provide proof of the correct previous servicing of your Vehicle, we will decline any repair request you make in relation to any serviceable Part. (see G1 - G7).

B16 Worn Out Parts - These are Parts which due to prolonged use over time and/or a lack of correct routine maintenance and/or neglect, are simply worn out and at the end of their expected serviceable life. They will require repair or replacement at your own cost.

B17 Manufacturing Faults - The Breakdown or Failure Due to Wear and Tear of a Part of your Vehicle with inherent, common and regularly occurring manufacturing faults which were well publicised (such as Google Internet search) at the date you purchased this Plan together with any Part requiring replacement due to it being up-dated, superseded, re-designed or recalled by the manufacturer where you have no proof that the Part has been previously replaced. (see F3.16).

Note: Please refer to your Plan Schedule together with the 'What Your Plan does NOT include' section F (following)... for the complete list of Parts and services which are included and excluded from Your Plan.

C Level of Your Plan

For Vehicles up to 6 years and 60,000 miles at Inception.

Quentin Willsons Comment: *I have designed this plan to pay for the 'breakdown' of a part, right from day one. This is where a part, suddenly and unexpectedly, suffers a breakdown and stops working, requiring immediate repair or replacement, before it will work again. Also... After 30 days and 1,000 miles (whichever occurs later) and until your vehicle reaches 10 years or 100,000 miles (whichever occurs first) your plan also provides for the 'failure of a part due to wear and tear'. This is where a Part suddenly develops an unexpected fault resulting in the Part failing to work properly (within manufacturer's specifications) which if not repaired or replaced will more than likely lead to a Breakdown of the Part before the expiry of Your Plan.*

C1 PARTS INCLUDED - ALL MECHANICAL AND ALL ELECTRICAL PARTS OF YOUR VEHICLE

Note: *There is no list of Parts, we simply include all mechanical and all electrical Parts - that's around 5,000 parts on most vehicles and too many to list here. For a full list of exclusions Please see: What Your Plan does NOT include, section F.

D4 Emissions Failure

This Plan Addition is designed to provide the Repair Cost of the Vehicle's catalytic convertor, diesel particulate filter, exhaust gas recirculation valve, oxygen or nitrous oxide sensor (CAT, DPF, EGR or LAMBDA, NOX) due to the Part causing the Vehicle's exhaust emissions to fail the relevant in-service manufacturer's emissions test standards or MoT emissions test or due to a mechanical or electrical Breakdown or Failure Due to Wear and Tear.

D4.1 The following specific conditions apply:

D4.1.1 The catalytic convertor (CAT), diesel particulate filter (DPF), exhaust gas recirculation valve (EGR) or oxygen sensor (LAMBDA), nitrous oxide sensor (NOX) being found to have suffered a Breakdown or Failure Due to Wear and Tear using diagnostic equipment and/or diagnostic techniques as recommended by the Vehicle manufacturer or Vehicle Inspectorate.

D5 Labour Rates

This Plan Addition provides the allowable charges for a Repairer's hourly Labour at one of the Labour rates selected from the list below and as shown on Your Plan Schedule:

up to £35 per hour

up to £50 per hour

up to £75 per hour

up to £100 per hour

D5.6 **SIGNIFICANT EXCLUSIONS** - No repairs will be authorised against any later increase you make to the Labour rate until 30 days after the date of inclusion.

D6 MoT Failure

Quentin Willson's Comment: The MoT Failure Addition provides extra protection to the cover we have provided. Many warranty companies say they include the failure of a part at the time of MoT, but 'beware' as this is not the same as covering a car which actually 'fails' the MoT test.

This Plan Addition is designed to provide the Repair Cost of Included Parts (described below) which have failed the VOSA annual MoT test, together with the cost of any Re-Test Fee. One valid repair claim is allowed in any period of 12 months.

D6.1 **INCLUDED PARTS** - The following Parts are included should they require repairing or replacing during the Period of Your Plan in order for a VOSA MoT Certificate (VT20) to be issued. Any failed Parts must be noted on the VOSA MoT fail certificate (VT30) which must be produced to support a valid repair claim. Only the Parts listed under the following headings are included. Anything not specifically mentioned here is

excluded:

VOSA Section 1: Lighting Equipment

All lighting equipment listed within the VOSA MoT Test Schedule.

Any mobile phone or hands-free equipment connected to or in operation with any part of the system. Software faults or upgrades. For a full list of exclusions Please see: What Your Plan does NOT include, section F.

D8 Servicing Expenses

Quentin Willson's Comment: An important aspect of the Warrantywise Plan is that you have to make sure your car is correctly serviced. To help you get to grips with this, I have designed this Servicing Addition to meet your vehicle servicing requirements within the terms of your plan with the option to spread the cost over the following four

months so you won't be hit by a large and unexpected bill, especially when you can least afford it. There are no interest charges, but we do require you to pay an arrangement fee to cover our expenses.

This Service Plan is designed to assist you with the routine servicing your Vehicle, including the costs of any pick-up and delivery, courtesy/hire car or valet with the option to pay over the following four months.

D8.1 Any faults picked up during the routine service which are within the terms of Your Warrantywise Plan will be invoiced directly to Warrantywise by the Approved Repairer, via the 1 Link System, at no additional cost or charge to you within this plan addition.

D8.2 **SCOPE OF THIS ADDITION** - Depending on the age and mileage of Your Vehicle at the time, we will arrange for the appropriate manufacturer's recommended service to be carried out at either the franchised main dealer or at one of our Approved Repairers at a time and location convenient to you, at the best discount on their retail price available to us at that time, enabling your service book to be stamped.

D8.3 This will satisfy the servicing requirements of Your Plan for the service which is due at that time.

D8.4 **SIGNIFICANT EXCLUSIONS** - This Addition will not apply in any of the following situations:

D8.4.1 Any service request within 90 days of Your Plan Start Date as notified on Your Plan Schedule. (Within this period you will have to make your own arrangements).

D8.4.2 Any request which is not solely connected to the routine servicing of your Vehicle.

D8.4.3 Any request for servicing which is later than 30 days or 1,000 miles (whichever comes first) of the date and mileage recommended by Your Vehicle manufacturer.

Note: Your Plan stipulates that: You are allowed 1,000 miles either side of the service mileage or 30 days either side of the maximum time period, as recommended by your Vehicle manufacturer (whichever comes first) without any further allowance.

D8.5 **CHARGES** - We will locate a suitable Approved Repairer, giving you the final choice of any alternative Approved Repairer we may have located within the 1Link System.

D8.6 We will negotiate on your behalf, with the Approved Repairer you select, the best discount on their retail price available to us at that time.

D8.7 We will pay the Approved Repairer directly and in full via the 1Link System.

D8.8 You agree to settle our charges as detailed below:

D8.8.1 You must pay us the amount the Approved Repairer charges us, plus our arrangement fee.

D8.8.2 Our arrangement fee is 25% of the total cost of the service as negotiated by us with the Approved Repairer.

D8.8.3 You must pay us within 7 days from the date of the service but can arrange to pay us in up to four equal monthly instalments starting from that date if you wish.

D8.9 **CANCELLATION OF YOUR PLAN** - You must continue to pay all and any monies due to us under the terms of this Addition in any event and for any reason that Your Plan is cancelled, expires or otherwise is ended.

D8.9.1 Should you fail to pay us any monies as may be due within these terms, we may cancel Your Plan and use the balance of any monies which may otherwise be due to you, to settle our costs.

D8.10 **OTHER PROMOTIONS** - This Addition cannot be used to pay towards or in conjunction with any other Warrantywise service, offer or promotion.

D8.11 **LIMIT OF LIABILITY** - Warrantywise shall not be liable to you for any failure by us to comply with these terms and conditions by reason of matters beyond our reasonable control, this includes any failure by an Approved Repairer to carry out the service on the agreed date.

E Emergency Services

E1 If your Vehicle suffers a Breakdown within the Geographical Limits Your Plan will provide the following associated costs and expenses:

E2 Roadside Assistance and Recovery

If during a journey your Vehicle suffers a mechanical or electrical breakdown you can telephone 0844 693 1910 (anytime) and we will arrange for an engineer to attend to provide roadside assistance and/or recovery to an Authorised Repairer or a Repairer of your choice within a radius of 50 miles.

E2.1 Your Plan will pay up to £250, including VAT, within the Single Repair Limit for roadside assistance and/or recovery.

E2.2 **SIGNIFICANT EXCLUSIONS** - We will not be liable for any of the above expenses if your Vehicle does not suffer a mechanical or electrical breakdown during its last journey. You will then be required to reimburse us any such additional costs or expenses. If you arrange for your own recovery operator you must provide appropriate receipts from a VAT registered recovery operator (proof required) to support any repair claim. Your Plan will not support you for accident or criminal damage, flat batteries, running out of fuel or filling up with the wrong fuel nor any storage or release charges. For a full list of exclusions please see: What Your Plan does NOT include, section F.

E3 Replacement Vehicle Hire

If you require a replacement vehicle then you can telephone 01254 355102 (during office hours) and we will arrange or authorise vehicle hire. Your Plan will pay up to £50 a day including VAT, up to a maximum of 10 days, towards the cost of vehicle hire whilst your own Vehicle is undergoing authorised garage repairs up to a maximum of £500 including VAT, within the Single Repair Limit, subject to the availability of a suitable vehicle within your area. If you arrange for your own vehicle hire you must provide appropriate receipts and a hire agreement in your name from a VAT registered vehicle hire firm (proof required).

E3.1 Your Plan will only pay for vehicle hire during the reasonable period (in our discretion) that your Vehicle is undergoing authorised garage repairs and only at the rate you have been charged within the above limits.

E3.2 **SIGNIFICANT EXCLUSIONS** - Not applicable to touring caravans or motorcycles. We will not be liable for any of the above expenses if your claim for Repair Cost is declined by us under the terms of Your Plan. You will then be required to reimburse us any such

additional costs or expenses. Your Plan will not pay for any storage or release charges, fuel or insurance. For a full list of exclusions please see: What Your Plan does NOT include, section F.

E4 Overnight Hotel and Travel Expenses

If you are left stranded without your Vehicle more than 50 miles away from your home Your Plan will pay up to £250 including VAT, within the Single Repair Limit, towards the overnight expense of a hotel room and/or onward travel costs by railway, bus or taxi for one person only.

E4.1 You must provide appropriate receipts from a VAT registered hotel, railway, bus or taxi firm (proof required) to support any valid repair claim.

E4.2 **SIGNIFICANT EXCLUSIONS** -We will not be liable for any of the above expenses if your claim for Repair Cost is declined by us under the terms of Your Plan. Your Plan will not pay for any food or drink or additional persons. For a full list of exclusions please see: What Your Plan does NOT include, section F.

E5 European (EU) Protection

The full benefits of Your Plan are valid while your Vehicle is outside the Geographical Limits, within the Period of Your Plan, provided you accept the following: Any claim you make must be in a country that is a current member of the European Union (EU). Your Plan will not pay more than the Labour rate quoted on Your Plan Schedule or the equivalent United Kingdom manufacturer's Labour times and list prices for Parts on the date of any valid repair. You will have to pay the Repairer and we will reimburse you any valid Repair Cost in Pounds Sterling at the Sterling sell rate of exchange prevailing at the date of claim at RBS/NatWest upon receipt of a VAT registered Repairers invoice made out jointly in 'your name' C/o Warrantywise.

E5.1 **IMPORTANT** - You must retain any replaced Parts for our examination or arrange to post them to us, if this is not possible make a photographic record showing evidence of any Parts subject to a claim and provide copies of all related repair estimates, VAT receipts, hire agreements and booking forms showing precise details of the service or repair provided and dates as we may reasonably expect in order to validate any repair (adequate proof of Breakdown or Failure Due to Wear and Tear will be required).

E5.2 If you believe you are likely to incur any of the above expenses you should notify us at the time or at your earliest opportunity thereafter (by telephone or email) as we will not include such

additional expenses at a later date after a repair has been validated. Contact our Repairs Office on 01254 355102 as soon as possible or email the details to: repairs@warrantywise.co.uk, within 7 days. (Please also see Out Of Hours Repair Claim section I.)

E5.3 SIGNIFICANT EXCLUSIONS

We will not be liable for any of the above expenses if your claim for Repair Cost is declined by us under the terms of Your Plan. Your Plan will not pay for any accident or criminal damage, storage or release charges. For a full list of exclusions please also see: What Your Plan does NOT include, section F.

(In such cases Your Plan will only pay the reasonable Repair Cost the Independent Vehicle Examiner believes would have resulted should your Vehicle have been stopped at the earliest opportunity).
- F4.5 Any Repair Cost request which an Independent Vehicle Examiner confirms is 'not' due to any Breakdown or Failure Due to Wear and Tear (as defined).

- F5.3 Any repair request prior to the date of receipt and/or mileage of your Mileage Photo when requested.
- F5.4 AAny Breakdown or Failure Due to Wear and Tear where your Vehicle's mileage/

distance reading at the time and date of Failure is not supported by its previous service history and cannot be verified as correct or relied upon to be an accurate representation of your Vehicle's total mileage.

- F5.5 If at any time during the Period of Your Plan we use our discretion to authorise a repair on a goodwill basis which would otherwise have been excluded then this does not set any precedent and does not mean we will necessarily authorise any similar future repairs.
- F5.6 Any liability for death, bodily injury, damage to property, loss of earnings, out of pocket expenses or any other loss caused directly or indirectly by any event giving rise to a repair request under the terms of Your Plan.
- F5.7 Any liability caused directly or indirectly by war, riot or any similar event or by vandalism, theft or attempted theft from the Vehicle or by bad weather such as lightning, wind or flood.

G Servicing Your Vehicle

Quentin Willson's Comment: The deal is simple - make sure your car has been serviced correctly and your claim for repairs will go through like a hot knife in butter. If you're hoping to keep your vehicle for an eternity, then like me, change all the oils and fluids annually.

G2 IMPORTANT

If your Vehicle has an incomplete previous service history it is important you have your Vehicle servicing brought fully up to date immediately. If you are unable to provide proof of the correct previous servicing of your Vehicle, we will decline any repair request you make in relation to any serviceable Part.

G1 VEHICLE SERVICING

You are required to ensure the correct servicing of your Vehicle:

- G1.1 at your own cost and expense,
- G1.2 using any VAT registered garage, a franchised main dealer or an Approved Repairer,
- G1.3 following the manufacturer's recommended service schedule and intervals (or earlier) as detailed in your Vehicle handbook, and
- G1.4 using only manufacturer's service parts or OE Parts and importantly the correct type and grade of lubricants and fluids as specified by the manufacturer.
- G1.5 If no manufacturer's recommended service schedule is published then you will be required to service your Vehicle at intervals of 12 months or 10,000 miles, whichever occurs first.

G3 TIME PERIOD - WHEN YOUR VEHICLE IS DUE FOR SERVICING

You are allowed 1,000 miles either side of the service mileage or 30 days either side of the maximum time period, as recommended by your Vehicle manufacturer (whichever occurs first) without any further allowance.

G4 **PROOF OF SERVICING**

We will accept as proof of service dated stamped entries in your Vehicle's service book by a franchised main dealer or an Approved Repairer. If not, you will be required to provide dated service VAT receipts and/or service schedules showing exactly which service parts were checked, replaced or otherwise attended to on the last service date applicable to the Part in question.

G5 **INCORRECT MILEAGE READING**

We will not meet any Repair Cost if your Vehicle's mileage/distance reading at the time and date of any claim is not supported by its previous service history and/or cannot be verified as correct or relied upon to be an accurate representative of your Vehicle's total mileage. If this occurs Your Plan will be cancelled and all charges refunded less any previously authorised Repair Costs, Independent Vehicle Examiner costs and the Cancellation Fee.

G6 **SERVICE PARTS INCLUDED**

Your Plan will pay for service items (such as lubricants and filters) which are required in order to complete repairs under a valid repair. However, if your Vehicle is within 30 days and 1,000 miles

of its next service you will be required to pay the cost of such service items.

G7 **SIGNIFICANT EXCLUSIONS**

The Failure Due to Wear and Tear of any Part which an Independent Vehicle Examiner believes is due (in whole or in part) to a lack of previous servicing as recommended by the manufacturer, whether or not the Vehicle was owned by you at the time. For a full list of exclusions Please see: What Your Plan does NOT include, section F.

H Repairs Procedure

Quentin Willson's Comment: Telephone us the moment you think something is wrong and we will guide you through our repairs process. Don't go ahead and fix your vehicle without informing us first, we won't pay out without investigating each and every repair claim!

H1 This section sets out (in order) what you should do if you suspect your Vehicle needs a repair, as follows:

H2 Please log your claim via our website at www.warrantywise.co.uk/repairs or telephone our Repairs Office on: 01254 355102 Our Repairs Office hours are 9am to 5pm, Monday to Friday. If your repairer knows what's wrong, he can submit an 'assessment form' from our website homepage or via the 1 Link Platform. If it's out of office hours, see our Out Of Hours Repair Claim section.

H3 We may direct you to an Approved Repairer using the 1Link Platform. You can appoint your own Repairer but we prefer it if your own Repairer uses the 1Link Platform which saves us time. In any event, you must make sure they are VAT registered and that they follow the Repairs Procedure set out as follows:

H4 When you decide to appoint your own Repairer you accept that we may correspond with your Repairer directly on your behalf in relation to

repairs under Your Plan.

H5 We will ask you (or your Repairer) to provide the following information:

H5.1 Your Plan number (found on the Plan Schedule) and/or

H5.2 Your Vehicle registration or VIN number and your name and address,

H5.3 Details of the Part they believe is at fault,

H5.4 The date and mileage the Part failed,

H5.5 A Parts and Labour estimate for the total cost of repairs,

H5.6 Details of your Vehicle's service history and/or previous MoT,

H5.7 A print out or details of any OBD diagnostic information.

H6 We will then confirm:

H6.1 That the Part is included within the terms of Your Plan and whether we exercise our discretion and authorise the Repair Cost and issue a Repair Number or,

H6.2 Whether we require your Vehicle to be examined (at our expense) by an Independent Vehicle Examiner prior to us making any firm decision or,

- H6.3 If we prefer to transport your Vehicle, or a Part (at our expense) to an Approved Repairer of our choice or,
- H6.4 We may decline your repair request and provide our reasons why your claim does not meet with the terms and conditions of Your Plan.
- H6.5 We will also consider your request for (or arrange) Roadside Assistance and Recovery, Replacement Vehicle Hire, Overnight Hotel and Travel Expenses.
- H7 DIAGNOSTIC AND DISMANTLING**
- It is your own responsibility to authorise any preliminary diagnostics together with the dismantling of any Part of your Vehicle as may be required by your Repairer (or recommended by an Independent Vehicle Examiner) for an accurate determination of any Part Breakdown or Failure Due to Wear and Tear to be made. Your Plan will only pay for such diagnostic and dismantling work, if reasonable and if assessed by us as being within the cost of a valid repair, otherwise all such work is at your own risk and expense. (If in doubt, ask your Repairer to check with us before starting any diagnostic or dismantling work).
- H8 The illumination of a dashboard warning light or the registration of a fault code within the Vehicle's on board diagnostic system may indicate a fault, but is not proof of the Breakdown or Failure Due to Wear and Tear of any Part (as defined) within the terms of Your Plan.
- H9 Once we have authorised that a Part is to be replaced or repaired, please ensure that your Repairer does the following:
- H9.1 Gives you a copy of the repair assessment form,
- H9.2 Makes a note of the Repair Number issued by us, and
- H9.3 Completes the repair to your own satisfaction and provides you with their Repairer's VAT invoice made out to you C/o Warrantywise, 5 Petre Court, Clayton-le-Moors, Lancashire, BB5 5HY.
- H9.4 Your Repairer should include the Repair Number, your Vehicle registration number and Your Plan number.
- H10 We will settle the Repair Cost as follows:**
- H10.1 If you are using an Approved Repairer we will settle the Repair Cost directly, but you will have to settle any costs outside of this sum.
- H10.2 If you are using your own Repairer you may have to settle their charges in full and then re-claim the Repair Cost from us. You then need to send us:
- H10.2.1 Copies of any previous VAT service receipts (if further proof of service is required),
- H10.2.2 A copy of your Repairer's VAT invoice made out to you C/o Warrantywise. (If you do not provide a Repairer's invoice addressed to Warrantywise, 5 Petre Court, Clayton-le-Moors, Lancashire, BB5 5HY we will not be able to reimburse you the VAT amount),
- H10.2.3 Any other supporting documentation we may have requested.
- H11 We will endeavour to settle the Repair Cost for any validated repair within the Single Repair Limit, subject to the terms and conditions of Your Plan within 7 days.
- Note:** *We may offset or contra payments due from you against the Repair Cost – see General Conditions J6 and J7.*
- H12 IMPORTANT**
- You should stop driving your Vehicle immediately if you become aware that there is a dashboard warning showing a fault. You should also stop if there is any other indication such as an unusual vibration or noise, leaking water, oil or steam. If you aggravate any Breakdown or Failure Due to Wear and Tear causing further damage, we may not settle the Repair Cost in full or at all.
- H13 If you believe that any fault may become the subject of a repair under the terms of Your Plan (even if you are not sure) you should report the fault to us as soon as practicable. Any failure to notify us about any suspected Breakdown or Failure Due to Wear and Tear within 7 days (without good reason) will result in any subsequent claim for repairs being rejected.
- H14 No repair work should commence before we have approved it and issued a Repair Number. Should you decide to give permission to a Repairer to commence or complete repair work, without a Repair Number being obtained, we will not meet your Repair Cost because you have denied us our right to fully investigate your claim and/or inspect your Vehicle and determine any faults.
- H15 Before we authorise any repair, we may instruct an Independent Vehicle Examiner to inspect your Vehicle or any Part together with any appropriate documentation. When this right is exercised we shall have no liability for any loss to you or arising from any delay your Repairer may have in commencing repairs. We may also re-charge the cost of any attempted and failed inspection of your Vehicle against any subsequent authorised amount, due to your Repairer failing to present your Vehicle and/or any Part at a previously arranged time and date.
- H16 We may (at our own cost) transport your Vehicle or any Part to an Approved Repairer of our own

- choice in order to affect repairs. In such cases we will guarantee the repair for a period of 12 months or 10,000 miles (whichever occurs first).
- H17 When we require the transportation of a Part from your Repairer to an Approved Repairer in order to carry out an examination or to carry out a repair, we agree to pay the reasonable cost of postage and packaging or arrange such ourselves.
- H18 From time to time we may require supporting documentation in order to assist us in validating a repair such as the Vehicle's V5 logbook, insurance certificate, previous MoT's, recovery, vehicle hire, hotel, ferry or fuel receipts etc. You agree to use your best efforts to provide such information when requested.
- H19 We will not validate any repair and issue payment against the Repair Cost until we have:
- H19.1 confirmed the Breakdown or Failure Due to Wear and Tear of a Part within the terms and conditions of Your Plan,
- H19.2 received copies of any previous VAT service receipts (if further proof of service is required),
- H19.3 a copy of your Repairer's VAT invoice made out to you C/o Warrantywise, and
- H19.4 received copies of any other supporting documentation we may have requested.
- H20 If you have not provided all requested information within 30 days, your repair claim will not be authorised. After such time, we will review the reason for the delay and decide, within our discretion, whether or not to accept your repair claim.
- H21 **CONSEQUENTIAL FAILURE AND REPLACEMENT OF MULTIPLE PARTS**
- Quentin Willson's Comment: It's virtually impossible for lots of unconnected parts to fail 'all at the same time' and I haven't designed this warranty plan to make your repairer a millionaire over-night, so here are just a few reasons why we may not follow his recommendation to re-build your worn out vehicle with every new part in his stores!***
- H22 Consequential Failure (replacement of multiple parts) is included within Your Plan. This is where a component (not necessarily included) fails and causes the Breakdown of a covered Part or Parts (sometimes called the domino effect).
- H23 Unless there is proof of Consequential Failure, this Plan does not include the cost of fitting multiple Parts by your Repairer (other than for covered Parts Replaced in Pairs or those that fail the annual MoT, if you have selected that Addition) and in such cases we will exercise our discretion and pay the average costs of all Parts fitted and
- Labour.
- H24 Where your Repairer recommends the replacement of a complete unit (such as an engine, gearbox or differential axle) we will not authorise its replacement unless the unit has suffered Consequential Failure or is irreparable. Where the Breakdown or Failure Due to Wear and Tear of a component Part within a complete unit is identified, we will authorise the Repair Cost associated with the repair, replacement or reconditioning of the Part.
- H25 Where we authorise the Repair Cost for a benefit under one or more sections of Your Plan then these will be treated as a single repair within the Single Repair Limit and Vehicle Value shown on Your Plan Schedule.
- H26 **PROTECTION AGAINST FRAUD**
- Quentin Willson's Comment: Unfortunately there are some customers and repairers who try and cheat the system and believe we will repair a vehicle that's already faulty or replace parts that just aren't needed or pay more than we should. These people are very much mistaken!***
- H27 In order to protect ourselves against fraudulent claims, we may from time to time, carry out more detailed checks and investigations which may delay our authorisation process. We apologise if you are innocent and ask you to be patient and comply with our requests for further information. We will not be liable for any loss of the use of your Vehicle or other expenses, but do apologise for any inconvenience this may cause.
- H28 The gearbox of a car contains many shafts, bearings, gears and hubs etc. With no manufacturing defects and correct use and servicing, we would expect that most gearboxes will last for up to 10 years or 100,000 miles without any major problems. If a single shaft inside the gearbox breaks, then clearly that's a failure, which is sudden and unexpected and would be covered. If the breakage of the gearbox shaft causes damage to other parts inside the gearbox then this would be 'consequential damage' and all the damaged parts would be covered. Another scenario is when something inside the gearbox starts making a noticeable noise, and upon examination we see that one bearing is worn and close to breaking up, but all the other bearings, shafts, gears and hubs are OK and unaffected. This would be a 'sudden and unexpected failure of a part due to wear & tear', which we would accept. If however all the bearings, shafts and hubs inside the gearbox are significantly worn and are all contributing to the noise, then this would be a 'worn out' gearbox and would not be covered.

I Out of Hours Repair Claim

Quentin Willson's Comment: Please make sure you follow these simple rules if you need to sort out a repair out of office hours!

- I1 If your Vehicle suffers a Breakdown within Great Britain then you can telephone 0844 693 1910 (anytime) and we will arrange for an engineer to attend (usually within the hour) to provide roadside assistance and/or recovery to an Authorised Repairer or a Repairer of your choice.
- I2 If your Vehicle suffers a breakdown while overseas, but in the European Union, you will have to make your own recovery arrangements. We will reimburse you, in our discretion, within our normal limits for a validated claim.
- I3 In either of the above, you should obtain a VAT receipt from the Repairer displaying:
 - I3.1 your Vehicle's details,

- I3.2 the details of the repair including the cost of any Parts and Labour,
- I3.3 the time and date the repair was diagnosed and carried out,
- I3.4 if possible, retain any Parts removed from your Vehicle or post them to us for our inspection or alternatively make a photographic record, and
- I3.5 contact our Repairs Office on 01254 355102 during office hours as soon as possible, leave a voice message or email the details of the repair to: repairs@warrantywise.co.uk

I4 IMPORTANT

You will be responsible for all associated costs and expenses in respect of any repair claim which is not validated. Please see, Emergency Services and What Your Plan does NOT include, section F.

J General Conditions

Quentin Willson's Comment: Important information on charges and payments coming up!

- J1 The following conditions apply to all sections of Your Plan:

J2 DUTY OF CARE

You have a duty of care to look after your Vehicle and carry out the preventative checks and maintenance recommended by the Vehicle manufacturer within the Servicing Handbook. You are also required to service your Vehicle in accordance with the servicing requirements within Your Plan. In particular it is your responsibility to pay to replace Parts which have already been subject to a Breakdown or Failure Due to Wear and Tear on or before your Plan Start Date, or on or after its expiry together with Parts which are the subject of any declined repair claim and you must service or replace Parts as and when recommended by your Repairer.

J3 REPAIR PROCEDURE

You must follow the repair procedure detailed within Your Plan. Any failure to do so may result in a decline decision and non-payment of your repair. Please telephone 01254 355102 or email repairs@warrantywise.co.uk if you need any help or advice.

J4 PLAN TRANSFER

Providing that you have paid for Your Plan in full Your Plan may be transferred with your Vehicle directly to a new private owner (but not to a

member of the motor trade). You must make the Application in writing or by email to admin@warrantywise.co.uk within 30 days of the change of ownership, and you must send us proof of last service, a current MoT certificate and the Administration Fee.

- J4.1 Your Plan may not be transferred to (or via) any member of the motor trade or where Your Plan has less than 30 days left to run or where you are paying monthly via the Pay As You Go Option.
- J4.2 Your Plan may only be transferred once by you (the original Plan-holder) and no refunds will be made to you or to the transferee.
- J4.3 Should your Vehicle be written off or stolen (proof required) we will, in our discretion, allow you a refund equal to any unexpired monetary value of Your Plan, less any previously authorised Repair Cost(s) after deducting the Cancellation Fee.

J5 CHARGES AND PAYMENTS

You agree to authorise Warrantywise to take the amounts shown on Your Plan Schedule by credit card, debit card or direct debit as and when due and upon renewal. We will advise you of any changes to the amounts shown after giving you prior written notice. We do not keep your payment details within Warrantywise computer systems, we process your payments via a secure outsourced credit agency. This authority will remain in force until you cancel it or until expiry (see conditions J9 which explain how to do this).

J5.1 You must pay all our charges in full amount and at the times agreed for the Period of Your Plan otherwise Your Plan will not be valid and all cover will cease immediately without return of any payments you may have made up to that date and without the settlement of any Repair Cost you may have requested.

J5.2 When you request the Pay As You Go Option it will be for a period of 12 months with the full cost payable over 4 monthly instalments. After you have made the 3rd of your monthly instalments you have the 'option' to:

J5.2.1 change to a monthly renewing plan in which case the monthly payment levels applicable to that plan type will apply, or

J5.2.2 make your 4th payment (completing the payments for your 12 month plan),

J5.2.3 cancel Your Plan in which case General Condition J9.4 will apply.

J5.3 We reserve the right, at our discretion, to vary the amount of your monthly payment or the cost of Your Plan at any time by giving you 30 days notice in writing.

J11 YOUR INFORMATION

You should have declared all relevant information that may have affected our decision to accept your Vehicle onto Your Plan. It is important that you check Your Plan Schedule to ensure we have the correct details. In particular, you should check that your Vehicle's make and model, date of registration, mileage and engine size are accurately described on Your Plan Schedule. You should also 'double check' your Vehicle's previous servicing complies with our requirements under section G. You should have answered our preliminary questions accurately and disclosed any known faults with your Vehicle prior to taking out Your Plan. Failure to disclose the correct information at the time that you applied may invalidate Your Plan. If we have requested a Mileage Photo, you should co-operate fully with our request. If any of the above information is incorrect Your Plan may not be valid.

J12 FRAUD

If we reasonably believe that you or someone authorised to act on your behalf, have made any dishonest, false or exaggerated statements or declarations in order to obtain Your Plan or to try and obtain any Repair Cost, Your Plan will be cancelled, no refund or repair settlements will be made and the matter reported to the authorities.

If your Vehicle or any subsequent repair is covered by any other similar plan, guarantee, warranty or goodwill settlement, we will only pay our reasonable share of any Repair Cost (if any). We may, in our discretion, appoint a Repairer of our own choice in order to repair, replace or recondition any Part of your Vehicle.

J15 VALUE ADDED TAX

Value Added Tax (VAT) will be calculated at the current rate applicable at the time of charge or time of repair. If you do not supply us with a Repairer's VAT receipt displaying the name and address of Warrantywise, we will not be legally able to reimburse you the VAT element of the Repair Cost.

You must apply in writing, or email to admin@warrantywise.co.uk, within 30 days of taking out Your Plan, and before any repair claim is made. We will, in our absolute discretion, decide whether or not to include the part and inform you of

any additional charges. Any such variation will only become effective after you have paid any additional charges and after a period of either 30 days or 1,000 miles (whichever occurs first) from the date of inclusion.
